

Shivers: An Erotic Horror Anthology

Eight darkly erotic and horrifically delicious stories guaranteed to give you shivers, in more ways than one! In *The Ride*, Annabelle hitches a ride from a stranger, in a small town where every day is the same. She longs for adventure and is looking to get out to find it... But it turns out that, even in the backwoods, nothing is as it seems after all... In *The Gingerbread Man*, Lindy runs into an unexpected snow storm on the way to her fiances on Christmas Eve. But will the charming, kindly gentleman who comes to her rescue turn out to be more saccharine than sweet? In *The Laundry Chute*, an old-fashioned laundry chute in a big, rambling farmhouse proves deadly for a group of young, adventurous boys.... In *Advent Calendar*, Jay is a player - a typical college student with one thing on his mind - and that doesn't change when he meets Betsy. He wants nothing more than to take her five ways from Sunday, and Betsy doesn't seem to object. Still, the more time he spends with her, the more she seems to affect him... When she gives him a homemade advent calendar for Christmas, Jay discovers the real meaning of the phrase Hell hath no fury like a woman scorned. In *The Velvet Choker*, Lydia has heard the stories from her coworkers about the house at the apex of two dead-end roads, but the young immigrant housekeeper isn't scared easily. Working for the strange and reserved jewelry maker Hugo Kauffman pays well, and for that, she's willing to overlook his eccentricities. But when Lydia finds a black, velvet choker in a box she's been forbidden from opening, her life is changed forever, and she finds herself suddenly bound to the strange and eccentric old man who runs the household. Will the introduction and interest of the new young portrait painter save her from her plight? In *Pumpkin Eater*, she doesn't know how long she's been with Belch, the strange man who grows giant pumpkins....

She doesn't even remember her own name.... But when a kind police officer comes to buy a pumpkin from their patch, Beth begins to remember. Sheriff Will Walker's instincts tell him that something is wrong, but he can't quite put his finger on what. Will he be able to figure out the mystery in time? Warning: This title contains graphic language, sex and elements of horror.
