

Significant Cases in Criminal Procedure (Criminal Justice Case Briefs)

Easily accessible to undergraduates, *Significant Cases in Criminal Procedure, Second Edition*, offers a clear, comprehensive introduction to criminal procedure. Rather than providing complete opinions, which may overwhelm students, the authors present case briefs, along with analyses, explanations, and short excerpts. In addition to the case summaries, the book includes lists of all of the cases it covers, both in alphabetical order and grouped by topic; a short introduction to each topic; and an index. **CRIMINAL JUSTICE CASE BRIEFS** **SERIE** *Significant Cases in Criminal Procedure, Second Edition* Craig Hemmens, Alan Thompson, and Lisa S.
