

Signs From Above: Your Angels Messages about Your Life Purpose, Relationships, Health, and More

Your guardian angels are continually giving you messages, frequently through signs, such as seeing rainbows, repetitive number sequences, finding coins or feathers, and hearing meaningful songs. In this fascinating book, Doreen Virtue and her son Charles teach you how to understand the signs that are always around you. You'll gain comfort from reading true stories of how angels have answered prayers by giving clear signs revealing their love and protection. You'll also learn how to ask the angels for signs, along with specific prayers for your relationships, career, health, and other vital areas of your life.
