

Knowing the Ropes (Certified SMUT)

Janseys hopeless! After winning big at regionals, she ended up in bed with three other girls on her professional skipping team. Now hot lesbian group sex is all she can think about. Nakesha, Ruby, and Beatriz berate her for her lack of concentration, but theres only one thing thatll get her back on track: a repeat of that hot night when all hands were on her!

This kinky lesbian group sex short involves spandex bodysuits, bondage, and plenty of physical exertion. Originally published as Double Dutch in The Big Book of Bondage. Word Count: 3,900 Excerpt: A wicked smile broke across Nakeshas lips. Thats all this is about? Youre just horny? Jansey squirmed against the rope, and against the ever-more-confining crotch of her one-piece. Her pussy lips were thick and throbbing, and shed give anything in the world to touch herself right now. You make it sound like Im horny in a general way. Im not. Im only hot for Jansey lowered her eyes and her voice. only for you guys Ruby and Beatriz chuckled deeply. They were holding each other now, and Ruby cooed, You gotta beg for it, little sister. A glimmer of hope shot through Janseys embarrassment. Oh, I beg you please! Beatriz approached, inching slowly across the gymnasium. Gotta do better than that, kid. Why did they always call her kid, little sister, little girl? All four of them were the same age, all in third year at university, and she wasnt that much shorter than Ruby or Beatriz. Maybe it was her manner. Granted, she was a little more childish than the rest of themgullible and naive at times, too. Please, Jansey said, this time with all the desperation she felt in her body. I need you to touch me and kiss me and lick me in all the right places, like you did that night. I dont know, Ruby teased. The three of them closed in, looming tall above her. How can we be sure itll improve your performance? It will! Jansey cried. She felt anxious now,

her skin itchy, clit pounding, like if they didnt do it she would just die. Her heart hammered so loudly it was all she could hear. PleaseI promiseplease
