

Sorority Escort - Mr. Black: A French Billionaire BDSM Romance

I love it when a man takes control and makes me do all the filthy things Ive only dreamed about. The group bang in Cancun did nothing to prepare me for Mr. Black. My second job as a coed escort brings me to Provence, France. I arrive at Chateau Marie, the carnal oasis of the dark and brooding billionaire. Im at his home for less than an hour when he introduces himself without a word. He doesnt need to speak. What he wants from me is written in his grey-blue eyes. Its in the way he stalks toward me with the promise of mind-blowing pleasure. Im wet and he hasnt even touched me yet. But he will. Oh God, he has to. Love scenes are fully realized and at times include explicit language. Intended for readers 18+.
