

New Years Freak (Naughty Exhibitionist Erotica)

What would you do if it was New Years Eve, you had plenty to drink and you and your boyfriend wandered onto someones balcony, naked, with freaky thoughts on your mind? That's what happens when Tisha and Eddie leave the club and don't want the night to end. Eddie brings the raw, alpha male essence and a big cock, while Tisha brings sassy attitude, sexy lips and a body that is oh so edible. They can't help but pour champagne all over each other and make it a New Years to remember.

EXCERPT: He leaned over and pressed his lips against hers. Their lust knew no bounds, and even though they were on someone else's property, it appeared that nature and their feelings were going to take its course. Tisha's blouse was quickly pulled over her head, exposing her bare naked chest to the chill of the night. She had on no bra, so her C Cups sat gracefully, her nipples erect and her sweet areolas looking delicious. Eddie reached his arms around Tisha's waist and squeezed her tightly to him, sliding his fingers into the waist band of her tights. She shivered at the feeling of his hand against her flesh, and heat and moisture spread to her hot spot. She craned her neck back as Eddie sunk his teeth into the back of it, which drove Tisha insane. Her lips poked out as she exhaled coolly, her chest heaving as her heart beat heavily out of her chest.

Eddie's heart sped up a few paces as well, as his hand found its way from her waist to her naked bottom beneath those tights. Tisha leaned her back forward to allow better access, and Eddie's palm cupped her smooth ass, getting an entire handful. Tisha rolled over to him and straddled Eddie's lap, as he pulled her tights down just beneath her ass, shooting the moon as the chilly night air soothed her body. Are you going to be good to me? she asked, her eyes as big as saucers as she looked into Eddie's. He looked back to Tisha with all of the confidence in the world and nodded his

head. You're always in good hands with me, he replied, squeezing both hands against her ample rump.
