

## My Girls First Squirt

What you dont know about the ones you love... Ive never really thought of my Paula as a sexual creature before. In truth, as her mother that was probably foolish but nothing couldve prepared me for the accidental discovery of the secret naughty video she made for her closest college girlfriends! From getting off multiple times with fingers and toys, to riding a bedpost in spectacular fashion, Paulas kinky side knows no bounds! And yet, the one thing I never expected to see, and will certainly never forget... is the incredible sight of my beautiful girl experiencing her first ever squirting climax!
