

Big Joe and the Trust Fund Jock

Newly edited version of a prior release... After a three year tour in the Army, Joe Collins returns to his hometown of Lancaster, South Carolina. With six months to kill before he can start college, the only temporary job that the six foot eight inch ex-soldier can find is work as a janitor at the exclusive all-boys boarding school of Lancaster Academy. After being nicknamed Big Joe by the wealthy boys at the prep school, he is resigned to survive the boring job for just a few months. Wealthy and gorgeous, Ryan Martin is a young soccer jock with a knack for getting into trouble, and he is on his last warning prior to expulsion. Things get interesting for Big Joe when he catches Ryan smoking weed in the janitors closet. Facing expulsion from the prep school and being disinherited by his grandfather, Ryan begs Big Joe not to turn him in to the chancellor. Joe, a dominant total top who has the hots for young Ryan, strikes a bargain with the straight soccer jock in exchange for his silence. That bargain is nothing short of Ryan becoming Big Joes complete and total sexual submissive. Formerly published under Big Joe and the Soccer Jock. This short novella is approximately 12,500 words. This work features many aspects and fetishes of a m/m dominant and submissive relationship including, bondage, sports gear, spanking, and blackmail.
