

Strange Stains and Mysterious Smells: Based on Quentin Cottingtons Journal of Faery Research

Once again in desperate need of cash, ex-Monty Python member Jones and renowned faery authority and illustrator Froud team up to present the hilarious sequel to the brilliantly successful Lady Cottingtons Pressed Fairy Book. Lady Cottingtons previously unknown twin brother, Quentin, employs his psychic image nebulizing generator and psychic odour nasalizing gasificator to analyze the protoplasmic nature of the mysterious stains left by pressed fairies.
