

Matched with the Sheikh (BBW, BDSM Erotica Romance)

Book 2 is now available!

MATCHED WITH THE SHEIKH is from international bestselling author Alex Anders and is for those who love short stories where full-figured women, not only get their gorgeous guys, but are dominated by an alpha male. When a gorgeous and insanely wealthy Sheikh asks you to find him a date, what does date mean? That was the question that Carla Westmoreland asked herself one warm summer night. She knew why others asked for her services. She was the best damn matchmaker around. She didn't just find dates, she found soul mates, and everyone knew it. No. Not a good idea, she decided. Carla was a full-figured gal and knew a little something about being undervalued by men. That's why she started her matchmaking business to begin with. There will be no more men using women, not under her watch. However, when you're offered enough money to choke a whale just to meet with the Sheikh and hear him out, you go. Carla's meeting ended up being a date, and damn was he good-looking. And G**damn did it feel nice to be treated like a princess. And boy was that man endowed. Carla now knew what a date meant, and the Sheikh wanted a 6 month contract. Carla didn't know if she could find him a soul mate, but she knew that she could make that match. A spank-tastic night with a Sheikh is hard to forget, but she lined up her candidates and groomed the perfect girl. But what if, she wondered. What if she had found the Sheikh's soul mate, and the soul mate was her? How does a curvy girl-next-door, convince the most eligible bachelor in the world to choose her? Carla Westmoreland would just have to find out. 9500 words. *Please note that this story contains very explicit descriptions of erotic and sexual situations written for extreme genital arousal which will lead to self-pleasure. Mature readers only.
