

Termination Dust (An Alaska Mystery Book 2)

Alaska is a great place to visit and a bad place to die. It is said that when the first snow of early winter the termination dust starts to fall, its time for visitors to leave Alaskas wonders behind. For some, its already too late. Jim Hamptons Yukon vacation takes a turn for the worse when he discovers a prospectors diary from the 1800s. And it dies when the rugged outdoorsman is arrested for the gruesome slaying of a controversial ex-Senator. But Alex Jensen isnt convinced of Hamptons guilt. And the dedicated state trooper is ready to track the bitter truth through the treacherous snows of the Yukon wilderness and in the pages of a mysterious, hundred-year-old journal, which describes crimes remarkably similar... and deadly.
