

Supernatural Detective Story, Book 1: Walking by Starlight

Walking by Starlight is a supernatural detective story illustrating that even those whose lives are populated with miracles will know uncertainty and need Gods daily -- though often dim -- light. Some Christians immediately know when disaster strikes their loved ones; this novel investigates whether unrelated Christians could have this same experience based upon 1 Cor. 2:11-12 (No man knows the thoughts of a man except the spirit of that man. And no man knows the thoughts of God, but the Spirit of God. Now we have that same Spirit, so we can receive His thoughts freely given).
