

For the Love of it - Snowboarding and Bicycles / UK-Version (Calvendo Sports)

We all love snowboarding and riding bicycles, be inspired everyday of every month with this calendar. Dean Blotto Gray is traveling the world year round documenting snowboarders as they progress freestyle snowboarding in the terrain park and mountains. During the summer months, Blotto can be found on a bicycle descending mountains in the outback and trails, while spending time in the city with commuter cyclists. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
