

## Consumer Spending (Lifeskills)

Combining practical content with visual appeal, the 21st Century Lifeskills handbooks read more like a magazine than a book. Highly readable with full-color photographs, a smaller trim size and an eye-popping layout, these 120-page handbooks are great for teaching life skills to a twenty-first century population. The 10 handbooks in this series will provide readers a thorough and non-threatening introduction to the multi-dimensional competencies, concepts, and vocabulary they need to achieve independences including community resources, job searching, money management, job etiquette, health, moving and more. Used along or in conjunction with the 21st Century Lifeskills worktexts, these handbooks offer students a unique and visual way to achieve real-world literacy. Highly readable with full-color photographs, this 120-page handbook is great for teaching life skills to a twenty-first century population. The handbook will provide readers a thorough and non-threatening introduction to: The Wise Buyer; Shopping for Goods; Shopping for Services; Consumer Rights. This handbook offers students a unique and visual way to achieve real-world literacy.
