

Silenced (Silenced Series Book 1)

Amber Brown spent her entire existence believing Dave was her father. When her mother reveals this is untrue, she goes through an emotional spiral with depression. Its hard for her to believe her mother had lied to her all this time. A move to a new home and town causes Amber to be consumed by her darkness and reverts to cutting to free herself from her pain. When Casey, her new friend enters her life, she introduces Amber to parties, drugs, and Ambers new boyfriend Landon. The secret of cutting begins to take affect on Amber as she tries to hide it from her friends and family. In the midst of everything, Amber has the desire to find out who her biological father is. Follow Amber through her trials of depression and cutting, along with the discovery of love.
