

## Captured by Him ~ The fourth novelette from Different Desire, a Gay Victorian Romance and Erotic novelette collection

Summary: Milton Huntington, the oldest son of Duke Huntington, should consider himself a happy man since he just got his marriage proposal to Miss Constance Bradwardine accepted, however he is not. To make things worse, his carriage is stopped by a gang of highwaymen on his way home and from there things are rapidly turning worse. Keywords: M/M romance, Marriage proposal, highway robbery, semi-rough sex, anal intercourse. An extract from the story: Afterwards they could never agree about who had made that first, initial move. Perhaps it was because it all happened at the same time? Milton raised his tied hands and cupped the other mans chin between his palms and roughly kissed him at the same time as Badger wrapped his strong arms around him and pulled him closer towards him. Badger answered his kiss hungrily and rolled over on his back so that Milton was straddling him, while Milton continued to kiss him thoroughly, ignoring the harsh stubble which grazed his cheeks.
