Sarah Miller, the author of multiple No 1 Bestselling Amish Romance books, brings you the first three books in the Amish Romance in Lancaster County Series. These three sweet, clean, inspirational stories have been bundled together to form a boxed set for a limited time only. Each book is a complete story based in the Amish community of Faiths Creek, Lancaster. Marys Faith Life in the Amish community is a mixture of joy and despair for Mary Beachey. Her courting years were spent caring for her elderly parents and now all that is left for her is to teach the children, but the nights can be dark and lonely. Ruben Wagler lost his wife in childbirth and the only thing that kept him going was his daughter Lucy. Moving to a new community is a fresh start for them. His heart is healing and maybe he can find a mother for his daughter and a place in his life for new love. Hanna Zook is looking for a husband and she has set her sights on Ruben. She is young, beautiful and determined. Can Mary keep her faith and find the love she craves? Hannas Journey Home Hanna has made some mistakes and the biggest of those was leaving the Amish community and spending three years with the Englisher. Having come home, she has almost everything she could hope for except love. After a storm, she must return to the English world to earn enough money to pay for repairs. Will she meet David? The rich man who swept her off her feet, and if so what will she feel? While Hanna worries about her life, across the fields Amos stares at the woman he has loved for so many years. All he has to do is walk across and offer help so why is it so difficult? Will Hanna keep her faith and stay with the Amish and will she find love?

Katies Amish Choice When Katies parents suggest that Jacob Glick come for dinner all she can see is a future of darkness. The man is mean to his horses and Katies life is all about horses. She

rescues them and nurses them back to health before selling them on to her Amish friends. Then there is the secret, something happened between them long ago, something she was forced to keep quiet. Confused and lonely she runs to her life long friend Eli Miller. She asks for help, maybe he knows someone that she could court? Only then does she realize that it is Eli she wanted all along. Of course, Eli has problems of his own. He needs to discover what he should do in life before he can commit to a wife. For the sake of her family will Katie marry the man of their choice or will she find her true love? Katie could see the love in his eyes. It shone back at her like a beacon lighting her way, and she knew it would never be dark again. All Sarahs books are clean, simple and sweet Inspirational Amish Romances and will always be free on Kindle Unlimited. This bundle is available for a short time only.
