

The Art of War: The Cornerstone of Chinese Strategy (Cornerstone of ... Series)

Written nearly 2,500 years ago, The Art of War contains not only wisdom on war, but also on the science and skill of maneuver and strategy that are still relevant today. Not only for military people who wage war on battlefields, this book is appropriate for business leaders who wage battles in the corporate world, martial artists, spiritual leaders, and those who rely on their street smarts. Included are compact teachings on resourcefulness, momentum, integrity, secrecy, positioning, surprise, deception, manipulation, and responsibility. This translation provides commentary and interpretations for the modern reader.
