

The Art of War (Annotated Quick Guide)

Sun Tzus Art of War is perhaps the best known and highly regarded treatise on strategy ever written. Although its wisdom is over two thousand years old, its principles are timeless for todays boardroom battlefields. Thirteen sections present incisive stratagem from assessing the foe to proper treatment of troops to espionage. Lionel Giles, M.A. painstakingly translated this book while working as an assistant in the Dept of Oriental Printed Books and Manuscripts in the British Museum. This digital book can be used as a quick reference or as an elaborate study guide. The original text is in bold, so you can easily skim through the meticulous annotated notes after each sentence.
