

## The Beasts Breeding Chamber 3 (The Overlords Depraved Tales)

Candace is seduced by an alluring Baltic stranger when the two pair up, to leave their friends in their sex-induced slumbers, in search of a cafe. The man leads her into the underground lair of the most horrifying and depraved beast imaginable. Candace is given no choice but to give in to the carnal desires of the beasts. As their warm seed sets in her womb will she make it out alive? Read on for a small taste of what's inside: The King ripped open Sydney's tattered clothes in an instant, casting aside the found garments like tissue paper. Before she could say a word, she was there on the cold, rocky ground of that underworld chamber, completely naked before these monsters. The creatures laughed wildly as they quickly stripped themselves of their dirty, disgusting clothes. As the layers fell away from their grotesque bodies, Sydney gasped with horrified delight. Their cocks stood out in front of them like two flagpoles. The unbelievably long, torrid lengths of their dicks were, in that moment, the most wretchedly beautiful sight that Sydney had ever laid eyes on. Sydney lay back against the gravelly floor, spreading her legs as wide as she could for the two monsters. Her pussy was sopping wet, gushing with the juices of her desire for the creatures. They were toying with her, now. They stalked toward her in the darkness of the chamber, circling her like two vultures closing in on a hunk of carrion. Sydney moaned pitifully, unable to wait any longer for relief. She began to rub her clit with two trembling fingers, hungry for sensation. She winced as her torn and stretched pussy cried out in pain, but couldn't stop. Markus lowered himself toward Sydney, kneeling in front of her. With a cackle, he knocked her hand away from the crotch. The King quickly caught her arms above her head and held them firmly in place. He nodded toward his son, and the younger monster let his thick, dirty

fingers wander toward Sydneys pussy. Without warning or grace, the creature thrust his hand into her wet cunt, twisting the bulk of his extremity into her. Sydney cried out in pain and pleasure. He was doing his best to force his entire hand into her body. She's so damn tight, the monster moaned, I can hardly get in.
