(Coming Soon) Burke Bentleys decision to
quit the hospital and go into practice with
his brother was the best decision hed ever
made. With the daily pressures gone, he
could do what he loved to do most be a
doctor. Piper Cordale, Pip to her friends,
just wanted to bust her friend out and go.
She didnt handle people well and needed to
be on her way, but fate had other things in
store for her. Her friends gorgeous doctor,
Burke, insisted that he was her mate. Pip
didnt have a mate, nor did she want one.
The chore of breathing in and out was hard
enough. But when she saw Burkes
nephew, Shane, sitting all alone, she
reached out to him, and they formed an
instant bond. She was fae and told the boy
if he ever needed her, all he needed to do
was call out and shed be there. When the
unthinkable happens, and Shane and his
brother Walter are targeted by a madman,
can Pip reach his side fast enough? Is she
strong enough to save them both? The
Bentleys must band together like never
before to protect their young and pray that
its enough.
