

Their Taboo Bondage Bet

Think of all the fun we could have had, playing with one another, he said, walking around her now, eyeing her up, and finally stopping just inside the doorway of her bedroom. Think of the games we could have played, switching back and forth, me tying you up, you tying me up. Think of all the helpless situations we could have put one another into, all of the teasing. Rachel's done plenty of experimenting in college, but there's taboo experiment she's been unable to explore, and it has to do with her step, Marco. She's about to get the chance to change all of that, though, and it's going to go in directions she'd never expected as their interests are far more similar than she'd hoped. This erotic short features bondage, teasing, BDSM, and plenty of taboo action!
