

Daddy Spanked Me in Public! (BDSM Billionaire erotic romance)

Nicole sat passenger side on a road trip with her sugar daddy, George. She began testing him with little bitchy games for her own entertainment. George stopped the car and pulled over to the side of the road, ordering Nicole to get naked. As she stripped, she quivered with fear and excitement about how Daddy was going to punish her for being bad. He bent Nicole's naked butt over the hood of the car, and spanked her with his belt until he got tired. This made Nicole crave his alpha male energy, and she begged George to whip it out and drill her in front of passing drivers on the hood of the car. Does Nicole get her wish? Does she learn her lesson? Read on to find out!WARNING! This story is for mature readers who don't mind getting hot reading depictions of spanking, public humiliation, oral sex, doggy style, BDSM and much more. EXCERPT:George dropped Nicole onto her stomach over the hood of the car, and hoisted her skirt up to her back, exposing her bare naked ass to the air. He pulled up hard on Nicole's thong to get better leverage of her bare ass, also giving her a killer wedgie in the process.Hey! Nicole exclaimed, looking behind her.Why are you pulling my ass out! There are people driving by, she tried to reason. You should have thought about that before you were mouthing off, George said, unbuckling his belt from his trousers. Nicole's eyes widened like saucers.You mean, you're going to spank my ass in front of all these people? Nicole asked, astonished.Yes. Now spread your hands against the hood and take what's coming to you.
