

The Blues: Day to Day Life at Stamford Bridge (A day-to-day life)

Chelsea have long been regarded as the most fashionable club in the country, and now they have got honors to go with the famous fans and the stylish players. Ruud Gullit has continued the revolution begun by Glenn Hoddle, bringing in top Italian stars Zola, di Matteo, and Vialli as well as host of other big names, and now, with 1997s FA Cup behind them, the club look set to reach even greater heights. This book looks at the clubs eventful history as it happened day by day, from the European triumph in the Cup-Winners Cup to tragedy with the death of Matthew Harding, with a full round-up of managers, players, and games won or lost.
