Written in a unique confessional style, this short story takes the form of an e-mail written from your gay husband as he confesses to a passionate affair involving many lovers... at the same time! You've been telling your husband that the idea of him being with other men has started to turn you on, but he seems a little wary to jump in. Could it be that he's secretly already taken the plunge and is just waiting for the right moment to tell you? Your questions are answered when you receive an email and a mysterious video attachment. Your husband then confesses to sleeping around with his coworker Rick, along with several of his friends, and filming the whole thing! You said it was okay, but is this really what you wanted? It's hard to admit how much the jealousy turns you on as you're drawn deeper into his filthy gay confession. This is a 4,000 word hardcore gay cuckold story, featuring anal, double anal, gangbangs and a cheating gay husband.
