

## The Contract

Out of a job and betrayed by his lover, Jace Thompson jumps at an opportunity almost too good to be true. On a private island in the Florida Keys, a secret BDSM community exists in resort-style luxury, the wealthy clients served by paid submissives who meet their every erotic desire and sensual whim. As Jace works hard to serve the men of the island with submissive grace, he is challenged at every turn by a manipulative trainer who seems hell bent on his failure, and another who brings out a deeply submissive nature Jace didn't realize he possessed. When trainer Quinn is asked to assess Jace for his submissive potential, the connection between them is immediate and intense. He might have to make an exception to his rule to never get involved with the service subs. His jealous ex-lover has other ideas. Dark intrigue and unrequited desires combine in a tangled web of danger and deception. Against a backdrop of lush tropical beauty and steamy passion, Jace and Quinn begin a tentative and ultimately powerful exploration of Domination and submission not only of the body, but of the heart and soul.
