

The Creature from Jekyll Island: A Second Look at the Federal Reserve

Experience one of the most important non-fiction works of the twentieth century with this all new unabridged audio recording of The Creature from Jekyll Island. Read by audiobook veteran, Mark Bramhall, this 20 disc audio CD edition unravels the mystery of money and banking. Where does money come from? Where does it go? Who makes it? The money magicians secrets are unveiled. We get a close look at their mirrors and smoke machines, their pulleys, cogs, and wheels that create the grand illusion called money. A dry and boring subject? Just wait! Youll be hooked in five minutes. Reads like a detective story which it really is. But its all true. This book is about the most blatant scam of all history. Its all here: the cause of wars, boom-bust cycles, inflation, depression, prosperity. Creature from Jekyll Island will change the way you view the world, politics, and money. Your world view will definitely change. Youll never trust a politician again or a banker.
