

The Days of Noah, Book Three: Perdition (Volume 3)

In The Days of Noah, Book Three: Perdition, the end times fall on America like a shadow of darkness and the last days bring an onslaught of sword, famine and plague. Biblical prophecies are fulfilled when a world leader arises to pull the nations back from the brink of disaster and usher in a new age of peace, but at what cost? In the aftermath of the collapse, America is left to flounder while the rest of the world is rebuilt under the rule of the Global Republic. Noah Parker and his family refuse to take the pledge to the world order and are thereby excluded from the one-world economy which functions using a cashless electronic currency. When the Global Republic finally arrives to begin rebuilding the former United States, Noah and the true Christian community are labeled as terrorist, hunted down like animals and forced to choose between fight or flight.
