(A Suncoast Society series book.) [Siren Sensations: Erotic Consensual BDSM Romance, M/F, public exhibition, voyeurism, spanking, caning, sex toys, HEA] Who needs leather when you can have denim? A denim Dom, that is. Shayla Pierce dumped her lying ex and moved to Florida to start a job at a magazine. An assignment to write about BDSM leads her to discover a new world and make a slew of new friends, including the sinfully sexy Tony Daniels. She's just not sure she can ever trust again. Tony is used to teaching about BDSM, but he's never trained a submissive he wasn't dating before. After losing hope he'll ever find the perfect submissive for him, Shayla walks into his life and asks him to train her for her series of articles. He knows about her bad breakup and their agreement is supposed to be nothing more than business. But as she raises the ante, he's finding it harder to keep his heart under lock and key. Will Shayla stay a hostage to her past, or allow Tony to become her Denim Dom? ** A Siren Erotic Romance
