Do you believe there are ghosts and demons and Diviners among us? Evie O'Neill has been exiled from her boring old hometown and shipped off to the bustling streets of New York City--and she is pos-i-tute-ly ecstatic. Its 1926, and New York is filled with speakeasies, Ziegfeld girls, and rakish pickpockets. The only catch is that she has to live with her Uncle Will and his unhealthy obsession with the occult. Evie worries hell discover her darkest secret: a supernatural power that has only brought her trouble so far. But when the police find a murdered girl branded with a cryptic symbol and Will is called to the scene, Evie realizes her gift could help catch a serial killer. As Evie jumps headlong into a dance with a murderer, other stories unfold in the city that never sleeps. A young man named Memphis is caught between two worlds. A chorus girl named Theta is running from her past. A student named Jericho hides a shocking secret. And unknown to all, something dark and evil has awakened....
