

## Dying Declaration

Thomas and Theresa Hammonds believe in tough love and old-fashioned discipline. They do not believe in doctors. When their controversial beliefs lead to personal tragedy, the Hammonds face heartbreaking loss, a crisis of faith, and a charge of negligent homicide by a relentless prosecutor. Defending Thomas and Theresa is freewheeling lawyer Charles Arnold. He believes in grace and mercy, but nothing in his colorful past has prepared him for the challenges of this shocking case, or for the dangerous conspiracy at its heart.
