

Taylor's Compromising Position: Taboo Erotica

Though my TABOO stories are about pushing the limits and breaking all the rules, it seems there are just some guidelines that we all have to follow. Of course, when Amazon banned my original titles for being too hot and controversial, I wondered if I could simply seduce my way out of trouble *like most of my characters do! But alas, I have been forced to submit to their authority (some of my characters like that too!) and provide only very vague titles and descriptions for you, the reader. Believe me, Taylor's Compromising Position was not my first choice for this book. But don't worry! This erotic story still features all the good stuff inside - naughty, kinky, forbidden relationships that explore the taboo of sexy characters who live and play together. Some readers may find this material offensive, so consider yourself warned... Taylor can never catch a break with her over-bearing father who is insistent that she grow up and get a job. Luckily, his super sexy best friend is hiring! It's a hands-on position that requires a lot of skill - and lip service - but this naughty girl is up for the challenge and can't wait to prove that she's the woman for the job. J.C.
