

A Surprise Under Her Skirt - A Transgender Sex Story (Transgender Erotica Book 1)

When Rob meets Jasmine at a bar, he is intrigued. He takes her back to his place and tries to seduce her. Everything seems to be going well until he slides his hand under her skirt and she panics and flees the house. He can't get her out of his head, and when he sees her on the street a few days later, he confronts her. He talks her into coming over that night to talk about things, and once more he seduces her. This time, he discovers there's a surprise waiting for him underneath her skirt! How will he handle finding out the woman he's become so smitten with isn't quite what she seems?
