

The Hidden Church of the Holy Graal

The reader who would reach to motives and inspirations, who would seek to understand the subtle and secret forces that have moved all history, it would be difficult to name a work of greater interest or value than this. To the rarer reader who has come upon traces of an undying tradition--a Hidden Church or Wisdom--the book will be a very revelation. The Graal legend, even as it is known to the general reader, woven into the Arthurian epic, is one of rarest beauty and most profound meaning. But when its rich symbolism is revealed in full, the significance of the great quest, in the which pure-minded and self-sacrificing valor is alone successful--the magnitude of meaning is made evident. Perhaps no other man living is so well fitted as Mr. Waite to approach this subject. Under the ruder methods of materialistic critics the delicate beauty and subtle meanings would be lost. Our author combines the grasp of scholarship with the sympathetic attitude and the deep-lying knowledge of hidden things. From the Contents: Preface Book I - The Roots Of The House Of Meaning Book II - Mysteries Of The Holy Graal In Manifestation And Removal Book III - The Early Epochs Of The Quest Book IV - The Lesser Chronicles Of The Holy Graal Book V - The Greater Chronicles Of The Holy Graal Book VI - The German Cycle Of The Holy Graal Book VII - The Holy Graal In The Light Of The Celtic Church Book VIII - Mystic Aspects Of The Graal Legend Book IX - Secret Tradition In Christian Times Book X - The Secret Church
