

The Dom with the Dark Eyes (Dommissimma Book 6)

It was supposed to be one night of fun. Masked balls are not Linseys thing, but she'll stay for a little while out of curiosity. However, when she meets the Dom with the dark eyes, all thoughts of leaving flee as the switch in her wants to sink to her knees and submit. Rad feels an instant connection to the sexy lady he calls his sweet Cherry. She appeals to this Dom like no other sub ever has, and the fact that she seems to be a switch like him just makes their play that much more interesting. One night was all it was supposed to be, but when that night turns out to have lasting consequences, maybe it was more than just fun. Love has a way of sneaking up on you.
