

The Humbling

Everything is over for Simon Axler. One of the leading American stage actors of his generation, now in his sixties, he has lost his magic, his talent and his assurance. When he goes on stage he feels like a lunatic and looks like an idiot. His wife has gone, his audience has left him, his agent cant persuade him to make a comeback. In this long days journey into night, told with Roths inimitable urgency, bravura and gravity, all our lifes performances - talent, love, sex, hope, energy, reputation - are stripped bare.
