

# The Infiltrator: My Secret Life Inside the Dirty Banks Behind Pablo Escobars Medellin Cartel

The electrifying true story that inspired the major new motion picture *The Infiltrator* Robert Mazur spent years undercover infiltrating the Medellin Cartels criminal hierarchy. The dirty bankers and businessmen he befriended—some of whom still shape power across the globe—knew him as Bob Musella, a wealthy, mob-connected big shot living the good life. Together they partied in \$1,000-per-night hotel suites, drank bottles of the world's finest champagne, drove Rolls-Royce convertibles, and flew in private jets. But under Mazur's Armani suits and in his Renwick briefcase, recorders whirred silently, capturing the damning evidence of their crimes. *The Infiltrator* is the story of how Mazur helped bring down the unscrupulous bankers who manipulated complex international finance systems to serve drug lords, corrupt politicians, tax cheats, and terrorists. It is a shocking chronicle of the rise and fall of one of the biggest and most intricate money-laundering operations of all time—an enterprise that cleaned and moved hundreds of millions of dollars a year. Filled with dangerous lies, near misses, and harrowing escapes, *The Infiltrator* is as bracing and explosive as the greatest fiction thrillers—only it's all true.
