

The Inner Room

The Inner Room where submissive dreams become reality Dr. Marissa Roberts takes charge and saves lives by day, but spends lonely nights embracing fantasies of erotic submission. When a friend encourages her to explore her submissive longings, Marissa agrees to an evaluation to become a member of an exclusive local BDSM club. With that act, a door is opened to Marissa, and her long-standing fantasies may just become reality. Cam Wilder, a nurse at the same hospital as Marissa and an experienced Dominant in his private life, has no idea the prospective slave girl he will assess in The Inner Room of The Power Exchange will be his reserved co-worker. Sparks of desire ignite into flames of passion as Cam recognizes in Marissa the heart of a true submissive yearning for freedom, and she sees in him a Master who speaks directly to her soul. Their potential BDSM paradise is threatened by the unwanted attention of an arrogant bastard who refuses to take no for an answer. His secret surveillance and devious plans lead to terrifying results that threaten to destroy not only Marissa and Cams careers, but the bonds of trust and love theyve forged together as Master and sub girl.
