

The Irish Devil

In 11th century Ireland lives an infamous warrior born of an Irish mother and a Viking father, a fierce and unforgiving soul known as the Irish Devil. For his services to the King of Ireland, Eric of Shanekill is promised a bride and given a choice of Lord Williams three daughters. None appeal to the mighty warrior not until he meets Faith, the shunned daughter of Lord William. Faith is as kind as she is beautiful. Shunned by her father and step-mother for having had the audacity to survive a vicious attack that left her with a telltale scar, she now gives to others what was once denied to her a caring heart and a healing touch. Can the beauty tame the devil or will he lead her into sin?
