

## The Yukon Queen (House of Winslow Book #17)

His Was a Blinding Ambition for Riches, and He Was Serenas Only Hope of Escape. Late in 1896, Cassidy Winslow leaves his familys ranch in Wyoming to pursue his own fortunes but is hardly prepared for life in New York. He hates his job and tires of city life, but falls in love with a rich young woman who treats him like an interesting toy. She finally breaks his heart, and Cass heads for the West Coast with the determination that hell do anything to get rich. When news comes to Seattle of the gold strike in the Klondike, all that holds Cass back is his debt of care to a man named Fletcher Stevens. The dying mans offer of money to fund Cassidys trip to the gold fields of the Yukon is conditioned by a promise that Cass will take the mans daughter with him to share what gold they can find. Cass agrees, and when Stevens dies, he goes to tell the daughter the news. Serena Stevens had been placed in a convent by her father after her mothers death, and though she hates it there, she has little choice. When Cass comes and tells her of her fathers offer, she cant be talked out of going, and so the adventure begins. But the Klondike Is a Cold, hard World Where Death Is Only a Bullet Away!
