

Burdens to Blessings: Young Adult Edition

Deep down, you long to be used by God, don't you? But like so many women, you believe a lie: that your past mistakes, shortcomings, regrets, and hurts disqualify you from God's purposes. That's the lie Kim Crabill believed too, and for years she hid her hurt behind masks, all the while aching for God to bring purpose into her life. Through her story and the power of Scripture, you'll discover the astonishing truth that God uses us because of our past and our pain. He takes the things we regret the most and transforms them into blessings - for us and for the people around us.
