

The Movement of Crowns Series

The Movement of Crowns, an epic fiction series of royalty, romance, war, and hope. The Movement of Crowns At the point when kingdoms ideas of humanity differ... The nation of Diachona is on the threshold of war, and Constance, coming into power under her father the king, deems this an inopportune time to be falling in love with one Commander Alexander. The Movement of Rings A time to remember what lies deeper than ones fears... With the rise of unrest in the Mundayne empire, will the heart of a beautiful imperial servant, Naona, survive intact enough for an unforeseen chance at love with a foreign man? The Movement of Kings The order of things, the nature of succession, and a nation that must march on... Can the young ruler of the Eubeltic Realm handle the rise of domestic and colonial crises, the bereavement of his family, and his curious attraction to a councilmans unassuming daughter, or is everything in this kings untried hands on the verge of falling apart?
