

Show Me How to Lick: A First Lesbian Sex Office Sex Short

Allie is concerned about the direction of the company after her boss has a heart attack. He was a great and tireless leader, and he was also grooming Allie for a promotion. His daughter, Serena, isn't a bad person, but she's just not doing the job. When a late night chance encounter at the office gives Allie the opportunity to show her business acumen, Serena is appreciative. She's so appreciative that she's ready to show Allie some acumen of her own in the form of a sweet and sexy first lesbian encounter, office sex that's sweet and hot! Warning: This ebook contains very explicit descriptions of sexual activity including sex between a boss and an employee, oral sex, and lesbian sex. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults. Here is a preview: There's a hell of a lot more to you than there seems, Allie. You have, in an hour or so, provided a better solution than the one I worked on for months, she sighed, and failed to get, I might add. Allie sat back embarrassed. Serena had a strange look on her face. Did my dad promise you a promotion before his heart attack? Allie wanted to say yes, but she found herself unable to lie. No. He promised me that he'd be watching, and when I got my degree, we'd talk about it. Serena smiled. Well, let's talk about it. She leaned forward suddenly and put her lips against Allie's. Allie was shocked, but the shock was tempered by a sudden and profound curiosity. She'd never kissed a girl. The softness and tenderness in the kiss was amazing, and she found herself parting her lips slightly, allowing Serena to gently probe her mouth, her tongue exploring Allie's lips, teeth and tongue with a delicate touch. She felt Serena's hand stroking her hair, and she lifted a hand to the CEO's back, resting it lightly there. Serena broke the kiss off and stood. Allie was a little embarrassed, not sure what was happening,

but her boss reached to her own waist and pulled off her blouse. Allie watched as she reached behind her back and unsnapped her bra, letting it drop to the floor. Just like that, Serenas breasts were free, and they were beautiful. They were full but firm, with nipples that jutted out like little bullets, and though Allie had never been with a woman, she wanted desperately to put her mouth on those breasts, to feel the nipples between her lips, to flick at them with her tongue. Serena took Allie by the hand and led her to the couch. Allie was in a daze, but the moment the two were seated, she leaned forward for another kiss, and Serena was a bit more urgent and pressing this time, her tongue pushing in a bit more forcefully, and Allie found that it sent thrills through her. She kissed back, trying to push her tongue into Serenas mouth, trying to draw as much passion from the embrace as she could. She felt Serenas hand on her own, felt it lifted, and finally felt Serena direct it to the breasts she had admired just seconds ago
