

The Primary Care Providers Guide to Compensation and Quality: How to Get Paid and Not Get Sued

Includes a free CD-ROM with customizable forms and checklists. This book links quality and reimbursement issues, using a systems approach that clinicians may incorporate into their practice. Updated to provide practical advice for primary care providers (PCPs) about major trends that have emerged over the past five years, such as growing patient enrollment in managed care health plans, performance evaluation of PCPs by outside agencies, and the dramatic increase in billing being audited.
