

## Doing His Duty

An erotic novella. Eighteen-year-old Austin always had a little crush on Angie, his beautiful sister-in-law, even though he knew nothing could ever happen between them. But when his older brother Cam prepares to head off for a year-long military tour of duty, he asks Austin for a special favor to take care of his wife's sexual needs while he's gone. Austin soon discovers that between his horny sister-in-law, and the girls at his college, he's got an overabundance of sexy women on his hands. And when a new one is added to the mix, his life becomes much more complicated than he ever dreamed possible.
