Find out in the thrilling conclusion of our adventures The Reproductive Organist Part 3! ----- It was too late. The strain of her rapidly-expanding mammaries was far too much for her officers uniform to contain. Its seams split, revealing the two ginormous alabaster orbs that would be her new breasts for the rest of her natural life. Office Stern screamed. Like, my boobies! Argh! I mean, my...my funbags. I mean, my...my jiggly juggies... Try as she might, Officer Stern seemed unable to refer to her breasts in any way not befitting that of a breathy, brainless airhead. My, my, said Dr. Wangermeyer. It would seem that you have just been given a fine gift. Or rather, a pair of gifts. Mind if I inspect the merchandise? Without waiting for a response from the bimbofying campus police officer, Dr. Wangermeyer bent down and gave Officer Sterns new right breast a playful squeeze with the palm of his hand. You...you maniac! Like, what are you...oooooooooh...oh wow, that feelsamazing... cooed Officer Stern. It was impossible for her to fight the modifications that the music was performing on her frame. It was making her more sensitive, more sensitized...more erotic. At the aged mans touch, a warm glow of electric honey seemed to spread out from his fingertips, cascading along the surface of her skin. But...but Im a lesbian! she thought to herself. There was a panic in the thought, somehow. The idea that a man

could make her feel this way was impossiblewasnt it? ----- WARNING!
