

The Sacred Contract of America: Fulfilling the Vision of Our Mystic Founders

Just as every individual possesses a sacred contract - an obligation to fulfill a divine destiny - so too does every nation hold an agreement made for the planets highest good. So begins Caroline Myss in her inspirational call to action. In this provocative session, she sends you an invitation to reconnect with Americas original vision of freedom and power, holding up a beacon that illuminates: How your sacred contract is woven into that of your nation - and how to maintain both as a conscious citizen The Bill of Rights as the seed of global self-esteem The steps needed to rescue America from its shadow The 12 major archetypes of America - including the Mystic, the Visionary, the Entrepreneur-Philanthropist, and the Rebel-Warrior - and the return of the historical figures who embodied them From its inception, Caroline Myss explains, the United States has been a great spiritual experiment - an unprecedented evolutionary step forward for human civilization that is both magnificent in its promise and perilous in its dangers. With The Sacred Contract of America, this modern-day patriot offers you an impassioned guide to active participation in resurrecting your nations highest potential.
