

The School of Truth: What Do They Believe? (Cults and Isms Book 13)

In 1937 NICOL CAMPBELL founded an organisation in Johannesburg, South Africa, which he called The School of Practical Christianity. Later the name was changed to The School of Truth and, from comparatively small beginnings, this School has drawn the interest and support of thousands of people, a large number of whom are members of various religious denominations. Who are they? And what do they believe? The School of Truth: What Do They Believe? compares the teaching of this group with basic fundamental Biblical doctrine. This eBook is not designed to ridicule or scorn the teaching of those who differ in faith and doctrine, but to examine teaching that claims to either hold to orthodox Biblical Christian doctrine or claim that their movement accommodates Biblical Christianity. Available material was researched and leading people interviewed, where possible. The conclusions drawn in this ebook about The School of Truth are based on information made available and every effort has been made to present the material as accurately as possible. The battle today is for the mind of men, women and children and we need, more than ever, to keep our attention focused on THE LORD JESUS CHRIST.. Looking unto Jesus, the Author and Finisher of our faith (Heb. 12:2).
