

Smart in Love: Rules of Relationship, Romance and Sex - Understanding how to success in your love life (Smart in Love Series Book 2)

Smart in Love, by Harem King of BooBoo Publishing, presents you the inspiring techniques required for the successful love life and relationship. At least 99 percent of people go on about their life without noticing the pattern; yes, it is the pattern of love! Passionately written, creatively crafted, and filled with ironic and realistic aspects of life, Smart in Love shows how dramatically we undervalue the rules of love in real life. While there are those who prefer a natural romantic experience or love, they know not that a little subtle trick, like one from many presented in this book, could make a powerful difference in their personal relationship! These are funny, but yet realistic intake of what is and isn't the thing you should do when you deal with your partner in love. Harem King introduces us to representative view of regular and common people; ranging from witty, cunning to shy and introverts, he draws a clear cut and distinctive ordinary stories as extraordinary!
