

## The Rock Star Forced Me (Virgin Heat Book 2)

He would make me addicted to him. Kayla is a hot-bodied college babe who has to interview wildly rich rock star Carson Poole, who is as arrogant as he is gorgeous. When she loses her cool over one of Pooles sexist remarks, he reveals that can end her college career in a heartbeat, and leave her career hamstrung before its even started. But Poole is, in his words, a generous man. Hes willing to forget Kaylas blow up if shes willing to do a different kind of blowing. Kayla has a boyfriend, but hes always been a weak-willed wimpnothing like the marble-bodied rock god propositioning her now. With her life in jeopardy, Kayla has no choice, and shes forced to submit to every erotic, nasty desire the rock star has. But her antagonistic heat toward Poole is based in a different kind of heat altogether shes really turned on by what a masculine, misogynistic male supremacist he is. And when Poole starts to let her taste what his mammoth member can offer, she cant help but wonder what it would be like to have her fertile body filled with his virile product, pumping her tight entrance full of his heir-making seed no matter what her loser wimp boyfriend at home might have to say about it.
